

## ***Global Goals - During the pandemic***

### **Student feedback**

“This project made us want to study again.”

“At first I didn’t understand the meaning of the project and felt confused. But in the end, I learned so much! I have also made use of these skills in other areas related to school.”

“Sitting at home studying by the computer was so depressing. This project got me motivated for schoolwork again.”

“I’m really proud of the outcome!”

## ***Literature and the Shakespeare Project***

### **Students**

“This Shakespeare project has been the funniest project at upper secondary”.

“We will never forget this project.”

“It was so fun to watch the other films and talk about their adaptations.”

“I might try acting. It's so fun!”
